

What Happens to The Water After You Flush?

Join Pennsylvania American Water for a tour of the McKeesport Wastewater Water Treatment Plant and find out.

We're offering free tours of our wastewater treatment plant for all ages.

Join us for this unique behind the scenes opportunity and learn how wastewater is treated and tested at our plant. Get to know our Company's local management team.

The tour will be conducted outdoors. Those who plan to attend should wear sturdy, closed-toe footwear and long pants. Free snacks, kids' face painting, environmental education and gifts will be provided. Restrooms will be Available.

Where McKeesport Wastewater Treatment Plant located at 100 Atlantic Ave, McKeesport, PA 15132

When Saturday, May 17, 2025, 12 noon to 4 p.m.
